Consignment Note

There are three sections to the consignment note: one for the producer of the waste; one for the haulier and one for the receiver of the waste.

Sections A, B, and D must be completed prior to the waste being removed from the registered site.

The Consignment Note number must be unique. The 1st section details the premises code: the 2nd section must be unique eg: 00001 (2, 3 etc).

Premises Code is issued by the EA

Details of the Augean site receiving the waste.

The site address MUST have the postcode.

To help with completion of Section B, the details can be found on Augean's quote.

Section C must have the details of the company that is delivering the waste to the receiving site.

Section D must be completed before the load leaves the premises from which it is being removed.

Section E will be completed by an Augean operator on arrival at the site.
