

Certificate of Verify Assessment

THIS IS TO CERTIFY THAT

Augean North Sea Services Limited

has successfully completed the Achilles FPAL Verify Assessment and has achieved the following capability profile scores:

✓ Quality	9.3
✓ Health and Safety	9.2
✓ Environment	9.3
✓ Competence & Training	9.0

Achilles FPAL ID:10040806
Verification Visit Date:04 December 2018
Verification Expiry Date:03 December 2020
Locations: Aberdeen

The following are the FPAL Product & Service Codes that Augean North Sea Services are currently registered for.

Code	Description
1.01.01	Drilling Machinery, Mud Equipment and Accessories Solids Control Equipment including Centrifuges, Shale Shakers, Shaker Screens, Agitators, Desanders, Desilters, Degassers, Flowline Primer, Flowline Divider, Swarf Units. Drilling Waste Management Equipment including Augers, screw conveyor, Skip Loading Stations, Cuttings Blowing Pumps, Vacuum Systems, Mud Transfer Pumps, Riggvacs. Filtration Equipment including twin pod filter units. Pit Cleaning Equipment. Vacuum cutting skips DNV 2.7-1
1.02.05	Baskets, Containers and Trolleys Beams, accessories, cargo handling and equipment
1.02.06	Conveyors, Feeders and Accessories Augers, screw conveyor, Cuttings Blowers, Skip Loading Stations, Vacuum Systems, Mud Transfer Pumps, Riggvacs. Bulk Transfer Systems Vacuum cutting skips DNV 2.7-1
1.02.07	Packing Equipment and Accessories Supply of vacuum cuttings skips, drums, IBCs and containers for packing of wastes, Intermediate bulk container
1.02.99	Other Material and Product Handling Equipment Provision of road tankers and other specialised transportation equipment including skips
1.03.05	Blowers and Fans Lobe, Root, Straight
1.04.01	Centrifugal and Rotary Pumps Mono Pumps, Lobe Pumps, Filtration Pumps and accessories
1.04.03	Diaphragm Pumps 1", 2" and 3" Diaphragm Pumps, Wilden Pumps and accessories
1.04.05	Submersible Pumps System for Slops and COT Tank Cleaning
1.04.99	Other Pumps and Accessories Clarke Positive Displacement Cuttings Transfer Pump, Cuttings Blowing Pump CBP-30, Slurry Blowing Pump SBP-60, Spill Clean-Up and Liquid/Slurry Transfer Pumps, Liquid Recovery Units and accessories
1.07.02	Plate Heat Exchangers Mud Coolers, Plate Heat Exchangers
1.07.05	Miscellaneous Coolers and Condensers Oil based Mud Coolers, Plate Heat Exchangers
1.08.01	Storage Tanks including Spheres and Accessories Offshore and onshore Horizontal storage tank rental. Vertical Dry Bulk and Liquid storage at Quayside in Aberdeen. Further storage silos and tanks at locations in Aberdeen, Lerwick, Great Yarmouth, Peterhead, Heysham
1.08.02	Pressure Vessels, Drums, Accumulators etc Supply of vacuum cuttings skips, drums, IBCs (intermediate bulk container) and containers for packing of wastes and other materials. Intermediate bulk container
1.11.01	Mechanical Separators, Tumblers, Chlorinators, Hydro-cyclones, Scrubbers and Accessories Swarf Unit, Centrifuges, Shale Shakers, Extractor Cuttings Dryer
1.11.02	Regenerative / Non-Regenerative Filters, Strainers and Accessories Filtration Equipment including twin pod cartridge filter units and filters. Onshore & Offshore Slop Water Treatment
1.14.21	Audio / Video Equipment and Accessories CCTV survey/visual inspection of risers, caisson, pipework, vessels, tanks, sumps Cameras, Cassette tape players, CCTV, CD, Domestic, Multitrack, Players, Recorders, Televisions, VCR, Video conferencing equipment.
1.17.01	Waste Water Disposal / Recovery Equipment Slop Water Treatment, Oily Water Treatment and OBM (oil based mud)/WBM (water based mud) Treatment both Offshore and Onshore. Waste water management services oil recovery drilling fluids fluid
1.17.02	Oil Recovery Equipment & Accessories Booms, Chemicals, Skimmers, Spill Control
1.17.05	Asbestos Removal Equipment and Accessories
2.06.01	Drums Supply of drums, IBCs and containers for packing of wastes and other materials Intermediate bulk container Vacuum skips DNV 2.7-1
2.06.03	Fluid Bags, Small Containers (less than 1m3) etc Supply of IBCs, drums and small fluid bags and containers for packing of wastes, waste samples and other materials Intermediate bulk container
2.06.99	Other Packing Materials Supply of vermiculite, mica and similar packing materials for waste samples.
2.07.06	Cleaning Products (For Sanitation Products select Category 2.12.06) Potable water tanks, chemical cleaning of heat exchanger, boilers, vessels, tanks Chemicals, Cleaning, Treatment, Water.
2.11.03	Cleaning Equipment and Accessories

	vacuum systems for dust, ash, sediment, sand, HVAC. HP Water jetting systems low/high pressure/high volume. Air operated, High pressure, Portable, Sludge, Steam, Sump.
2.11.06	Testing and Measuring Instruments / Equipment Internal Caisson camera survey/NDT UT inspection. Marine, Measuring, NDT, Non-destructive testing, Surveying.
3.01.01	Project Administration Services Contracting, Engineering, Multi-discipline
3.01.10	Waste Water Treatment Services Design planning and management service for Waste Water Treatment, slop water, oily waters, bilge waters, removal of sewage and similar wastes, treatment and disposal of various washings from cleaning and flushing activities, Potable Water, Waste Treatment, Cleaning, chemical cleaning, legionella treatment Potable Water, Waste Treatment, Cleaning.
3.01.99	Other Engineering Services Well abandonment, Solids control and Drilling Waste Management Equipment.
3.02.01	Quality Assurance QA / QC Consultancy Appraisal, Audit, Client representatives, Facilitation, Management Systems, Site Visits
3.02.02	Safety, Healthy and Environment Consultancy COSHH, Environmental studies, Emergency, Legislative compliance, Safety case studies, Statutory, Potable Water
3.02.19	Decommissioning and Abandonment Consultancy Environmental, Public relations, Safety
3.04.06	Casing Cutting Services water jet cutting, Chemical, Cold, Explosive.
3.04.15	Drilling Fluids / Mud Services Waste Mud Separation, Treatment and Disposal. Base Oil Recovery Vacuum cutting skips DNV 2.7-1 OBM (Oil Based Mud) Emulsion Treatment - splitting of Slop Oil emulsions. This solution enables the recovery, reuse and recycling of the emulsified oil content and advanced treatment and disposal of the removed water.
3.04.26	Cutting Injections / Cutting Disposal Services Cuttings Containment, Treatment and Disposal Services and Equipment. Vacuum Cuttings Skips, Thermal Desorption, OBM Treatment and Separation Oil Based Mud DNV 2.7-1 splitting of Slop Oil emulsions. This solution enables the recovery, reuse and recycling of the emulsified oil content and advanced treatment and disposal of the removed water.
3.04.38	Pumping Services high volume liquid transfer crude oil, produced water, sludge, slops
3.05.04	Waste Disposal / Drainage Services Complete Waste Services. Hazardous Waste Management, Treatment, Disposal and Recycling. NORM Disposal. Associated Industrial Cleaning and Decontamination Services Naturally Occurring Radioactive Material.
3.05.06	Surface Treatment, Sandblasting, Painting, Coating and Fireproofing Services Onshore and Offshore High Pressure (HP) and Ultra High Pressure (UHP) Jetting, Cleaning and Surface Treatment Equipment and Services. Marine Growth Removal.
3.05.13	Industrial Cleaning Services Marine Vessel Cleaning. Pit Cleaning and Silo decontamination. Industrial Cleaning Services onshore and offshore. Tote and ISO (international standards organisation) Tank Cleaning. Treatment and Disposal of hazardous and non-hazardous wastes and washings Chemicals and High pressure ultra high pressure Tank cleaning Onshore and offshore NORM/LSA decontamination treatment and disposal. RPS (Radiation Protection Supervision) Booms, Chemicals, Skimmers, Spill Management/control Onshore Emergency Spill Response Services
3.05.24	Site Clean-up Services Marine Vessel Cleaning. Pit + Silo Cleaning + decontamination. Asbestos survey removal + disposal. Onshore + Offshore High Pressure HP + Ultra High Pressure UHP Jetting, Cleaning + Surface treatment Equipment + Services. Marine Growth Removal. Onshore + Offshore Industrial Cleaning Services. Tote + ISO Tank Cleaning. Industrial Cleaning Services. Disposal of Hazardous + Non-Hazardous washings. Onshore + offshore NORM/LSA decontamination treatment + disposal. RPS Radiation Protection Supervision Booms, Chemicals, Skimmers, Spill management/control + Onshore Emergency Spill Response Services
3.05.25	Biological Sludge Treatment Services Removal of biological sludges onshore. Transport of sludges for 3rd third party treatment. Supply of vacuum units, vacuum tankers and other specialised high-suction vehicles for sludge removal
3.05.26	Tank Bottom Sludge Treatment Services Treatment of various oily sludges, etc. Removal of tank bottom sludges onshore. Transport of sludges for 3rd third party treatment. Supply of skips, vacuum units, vacuum tankers and high suction specialised vehicles Vacuum skips DNV 2.7-1
3.07.01	Non-Destructive Testing (NDT) Services Internal Caisson UT Inspection, ACFM, Dye penetrant, Eddy current, MPI, Radiography, Ultrasonic.
3.07.02	Pipeline Flushing, External / Internal Inspection, Pigging Services

	high flow pumps for purging/flushing of pipe work, vessels, tanks, Acoustic, Corrosion detection/monitoring, Condition monitoring, Crack detection, Gauging, Hydrostatic, Leak detection, Magnetic flux leakage, Nitrogen, Purging.
3.07.03	Surface Treatment Services Onshore and Offshore Ultra High Pressure (UHP) Water Jetting Surface Treatment Equipment and Services. Onshore and offshore NORM/LSA decontamination treatment and disposal. RPS (Radiation Protection Supervision)
3.07.08	Laboratory, Testing Services UKAS (United Kingdom Accreditation Service) Accredited Waste Laboratory services and analysis.
3.07.98	Other Inspection Services CCTV survey/inspection of risers, caisson, pipework, vessels, tanks, sumps, tubulars, conductors. BOP, Drill rig, Electrical, Paint, Rotating equipment, Structural, Tubulars, Video, Weld, Cofferdam, Remotely Operated Aerial Vehicles (ROAV), Unmanned Aerial Vehicles (UAV).
3.08.05	Rental, Containers, Baskets etc. Supply of Offshore Waste Storage Containers and vacuum cutting Skips DNV 2.7-1
3.08.06	Disposal / Distribution and Waste Transport Services etc. Complete Waste Services. Waste Transfer Station. Transport and Disposal of various hazardous and non-hazardous wastes. Supply of skips, vacuum tankers and high-suction vehicles for waste removal and transportation. NORM Disposal Naturally Occurring Radioactive Material. LSA Low Specific Activity Scale Asbestos removal and disposal Vacuum skips DNV 2.7-1
3.08.14	Bulk Truck Transportation Services Specialist Road Tanker Provision.
3.08.99	Other Transportation / Supply and Disposal Services NORM Disposal Naturally Occurring Radioactive Material Monitoring Marine equipment hire refurbishment Haulage Vacuum skips DNV 2.7-1
3.15.01	Project Management Services Management of decommissioning decontamination and waste disposal projects through to final disposal of radioactive wastes (NORM / LSA) Naturally Occurring Radioactive Material Low Specific Activity Scale including RPS (Radiation Protection Supervision)
3.15.04	Well Services Well abandonment, swarf removal, RPS (Radiation Protection Supervision) Cuttings removal and Onshore Treatment, Drill mud removal and Onshore treatment and disposal, offshore and Onshore Drilling Slops treatment.
3.15.05	Cuttings Services Onshore and Offshore Ultra High Pressure (UHP) Water Jet Cutting, Cold Cutting Equipment and Services.
3.15.06	Site Services RPS (Radiation Protection Supervision), Decommissioning On-site Industrial Cleaning Services, Confined Space Entry, Vessel Entry. Treatment and Disposal of various associated washings and wastes, both hazardous and non-hazardous Asbestos, Onshore Decommissioning Facilities
3.15.07	Waste Management Services – Only for decommissioning services RPS (Radiation Protection Supervision), Decommissioning Complete Waste Management Services. Hazardous Waste Management. Recycling Services. Oil spill Control Disposal, Project Management of LSA/NORM Removal, Decontamination and Disposal. Pressure Vessel Cleaning. Permitted Locations for NORM, LSA, Sludge Treatment, Tank Cleaning, Waste Disposal, Water Filtration. Slop Water Treatment. Laboratory Services, Naturally Occurring Radioactive Material disposal. Low Specific Activity Scale Asbestos removal Vacuum skips DNV 2.7-1
3.99.06	Rental of Equipment Rental of Drilling Waste Management, Containment and Solids Control Equipment Packages and Systems Rental of Mud Skips DNV 2.7-1 Offshore High Pressure (HP) and Ultra High Pressure (UHP) Jetting, Cleaning and Surface Treatment Equipment and Services. Marine Growth Removal.
3.99.13	Training Course / Seminar Services Chartered Institute of Wastes Management (CIWM) registered training centre & provider.
